Request For Proposals

I-5, JOE LEARY SLOUGH TO NULLE ROAD VIC – PAVING Design-Build Project

ATTENTION: All Proposers

RFP Addendum # 11

The RFP for the I-5, JOE LEARY SLOUGH TO NULLE ROAD VIC – PAVING Design-Build Project is modified as follows:

ITP

1. Section 3.4.4 **Communication Plan (Section 2)** of the RFP Instructions to Proposers issued September 20, 2010, page 18 lines 37-41; “Provide a narrative that addresses your public involvement and outreach plan. Please indicate how the proposed work will impact the travelling public, the region surrounding, and communities, and then specify your measures and efforts to minimize those impacts. Submit a narrative that addresses the following: 1. Plan on how the proposer will effectively coordinate with other projects.” is revised to read “Submit a narrative that addresses your public involvement and outreach plan and how you will effectively coordinate with other projects. Please indicate how the proposed work will impact the travelling public, the surrounding region, and communities, and then specify your measures and efforts to minimize those impacts.”

Bidders shall furnish the Secretary of Transportation with evidence of the receipt of this addendum. This addendum will be incorporated in the contract when awarded and when formally executed.
